Hi Cairo,

For the October 1st cleanup event can we please request that the Southwest corner of Normandie and Wilshire be pressure washed? This corner is very busy and the area around the bus stops and sidewalk is very dirty. The sidewalks around the Flame Broiler are in need of a good pressure washing. It would be nice if they could go down Normandie to the end of the building past the dumpsters.

Please let me know if this is something you can help with.

Thank you,

Mike Russell
